

COMPANY
PROFILE

X *PRESS*

HAOJUE and SUZUKI, the two motorcycle brands developed by Haojue Holdings, have seen robust sales growth in China and are exported to over 80 countries and regions across the world. By the end of 2019, the company led the motorcycle industry in both production and sales for 17 consecutive years. The Jiangmen Dachangjiang Group Co. Ltd a subsidiary controlled by Haojue Holdings, is currently the largest motorcycle manufacturer in China, and Ghangzhou Haojue Suzuki Motorcycle Co. Ltd, a joint venture established by Haojue Holdings and Suzuki Motor Corporation, is now the largest Chinese-foreign-invested motorcycle manufacturer in China

About Us

Founded in 2013, Eagle General Traders (U) Limited is registered under the companies Act No:161180. The company is the exclusive distributor of Haojue Brand Motorcycles in Uganda. The company sells and distributes “Haojue Brand” Motorcycles and Spare parts across Uganda. The company offers quality products at an affordable price to individuals, households and corporate clients. Since its inception, the company was selling motorcycles and spare parts to customers from different neighboring countries such as South Sudan, Rwanda, Tanzania and The Democratic Republic of Congo. From 2016, the Company expanded its business to add up a second line of business to distribute two wheel motorcycles.

Vision

To become a leading supplier of two wheels motorcycles in Uganda in the next decade, while offering quality products at an affordable price

Mission

To continue improving the lives of individuals and households, while offering an easy, reliable and affordable way of movement between places.

Fuel delivery	Carburetor
Starter	Electric start/Kick start
Brakes	Front: Drum brake Rear: Drum brake
Tyre specification	Front: 2.75-18 Rear: 3.00-18

EG150X model was designed as an off-road motorcycle to suit the African muddy roads with a cc150 power engine to beat the records on hilly roads at a higher speed. Equipped with a ground clearance of 180mm and its front fender, the model works well in all types of terrains across Uganda.

EG150X model is the preferred model for delivery companies, security companies, private usage and NGOs for its carriage weight capacity and durability among others.

HJ150-6 MODEL

L X W X H	2045mm X 775mm X 1080mm
Wheel base	1290 mm
Curb mass	140kg
Ground clearance	180mm
Seat height	780mm
Fuel tank capaci-	12L
Engine type	Single cylinder, air -cool, 4-strokes
Compression Ra-	9.2:1
Maximum Power	8.6kW (8000r/min)
Maximum torque	11.2N.m (6500r/min)
Fuel delivery	Carburetor
Starter	Electric start/Kick start
Brakes	Front: Drum brake Rear: Drum brake
Tyre specification	Front: 2.75-18 Rear: 3.00-18

HJ150-6 Model was designed and developed in 2006 to respond to the need of cargo carriage among motorcycle users in china and later was introduced in African market in 2013. This model has been the number one selling model in East African region, mainly in Western Kenyan region and in D.R.C due to its capacity to carry over 300 kg loads. Since its introduction in these regions, it has beat the records among all other **cc150** engine motorcycles in the market.

HJ150-6 Model is suitable for delivery Companies, farmers and cargo and private use. Its cc150 engine power allows it to carry more then the average kg carriage in the market.

OUR PRODUCTS
